2026-2027 College-Level Examination Program (CLEP) Credit

	Units towards GE Credit	Units toward Elective Credit	GE Credit toward Degree	Cal Poly Pomona Course Equivalencies	
Examination	(Score of 50 or better required)			Score	Course
<p>If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered “Level I” and earns six units of baccalaureate credit; the higher score listed for each test is considered “Level II” and earns additional units of credit and placement in Area 3B of GE, as noted.</p> <p>* For students to complete their major within the prescribed unit requirement (typically 120 units), students with lower-division GE Area 4 credit could complete upper-division GE courses HST 3340 and/or PLS 4205 to satisfy the American Institutions (AI) requirement Part A and/or Part B, respectively. Students majoring in programs with unrestricted elective units are strongly encouraged to complete HST 2201 or HST 2202 to satisfy AI requirement Part A, and/or PLS 2010 to satisfy AI requirement Part B. See your academic advisor for more information.</p>
